Item 4 of the provisional agenda*

STATISTICAL OVERVIEW OF THE ANSWERS PROVIDED IN THE INTERIM NATIONAL REPORT FOR THE NAGOYA PROTOCOL

Note by the Executive Secretary

I. INTRODUCTION

1. The deadline for submission of the interim national report was 1 November 2017. As of 22 February 2018, 75 reports had been received: 69 from Parties to the Protocol and 6 from non-Parties.
2. All interim national reports received are available in the ABS Clearing-House at the following link: <https://absch.cbd.int/reports> with the exception of one report that was submitted offline. A list of countries that submitted an interim national report is provided in the annex to the present document.
3. The statistical information presented in this document complements the analysis of information contained in the interim national reports and published in the Access and Benefit-sharing Clearing-House made available in document CBD/SBI/INF/3. It provides disaggregated information by CBD regional groups on the yes/no responses provided by Parties and non-Parties to the questions contained in the interim national report. Questions from the interim national report for which answers were provided through narrative text are not covered by this document. This document includes information from all reports received online and offline in the official format by 22 February 2018.
4. The questions of the report which are mandatory are marked with an asterisk.

II. INFORMATION PROVIDED BY PARTIES AND NON-PARTIES

A. INSTITUTIONAL STRUCTURES

5. The analysis of the responses provided in this section of the report, also includes information submitted through the ABS Clearing-House. In addition, for those countries that did not submit an interim national report, information provided through the national biodiversity strategies and action plans (NBSAPs) and the fifth national reports on the implementation of the Convention has also been considered. Therefore, the statistical information presented takes into account the total number of Parties and non-Parties and not only those countries that submitted an interim national report.
6. In the tables below covering questions 4, 6, 7, 8 and 9 the information is categorized under columns A to C as follows:

Column A: Information provided in the interim national report (“yes” response), NBSAPs, fifth national report and/or to the ABS Clearing-House

* CBD/SBI/2/1.

Column B: Information available but not yet provided to the ABS Clearing-House

Column C: “No” response in the report

Question 3. *Has your country made the information available to the ABS Clearing-House as provided in Article 14.2?

7. The following table provides an overview of the yes/no responses provided by Parties and non-Parties to question 3 of the interim national report.
